THE VINE & THE BRANCHES

by Vicki Shuck, Esperanza Arts

"God wants us to flourish! The illustration Jesus uses of the branches' need to be connected to the vine in order to bear fruit tells me that there is a big difference between the fruit that I might produce on my own compared with the fruit that is a result of trusting the 'vine-grower' to prune me and guide me into the best results. I cannot provide my own sustenance and wisdom. In order to flourish I must be in right relation to the vine-grower." ~ Vicki
